Nestled in the bluffs of the Mississippi River in northeast Iowa, MARQUETTE welcomes you to an area known as the "Driftless Area". Named in honor of Father Marquette, who along with Louis Joliet explored the upper Mississippi River, Marquette is truly a destination for all seasons. The scenic drive here is located along the Rivers & Bluffs Scenic Byways and the Great River Road.

*Come enjoy life on the river and spend a relaxing day, night, or week with us!*

*You'll be glad you found us.*
